Dear Pilgrim,

Please find enclosed your registration forms for the New Dawn Conference 2017.

We encourage you to read the enclosed information booklet before submitting your forms.

Once again we urge you to register in advance. Resources for on site registration are limited so you can save valuable time by having all your requirements addressed before the Conference begins.

Family Campers in particular should register in advance to guarantee a pitch. The date of arrival for all campers this year is

SUNDAY 30TH JULY AT 12 NOON.

Please do not arrive before this time as the camp areas will not be available.

As we are severely limited for space in the main Conference area, Blue Badge holders only will be permitted to park in the designated zone. A drop off point for disabled passengers will operate as usual. There is ample parking for other vehicles in the field close by.

The closing date for postal registrations is Friday 30th June 2017. Any received after this date will be processed when you arrive at New Dawn.

We look forward to welcoming you to this year's Conference on Monday, 31st July.

Yours in Christ,

The New Dawn Registration Team.
