## New Dawn Prophecies: Fresh Manna for Saturday 6th Aug 2011

- In the intercession this morning, it was what we were led to do that was the prophetic 'word' from the Lord, more than specific words and pictures etc., so I have described how we were led as the prophetic Body Of Christ.
- The main theme is one of the Worshipping Bride and the deliverance and liberty that this brings when the Lord's responds to his spouse by bringing His love and presence among his people.

Psalm 86 Among the Gods there is none like you O Lord

I will praise you with all my heart, and glorify your name forever;  
For your love to me has been great,  
You have saved me from the depths of the grave.

Bless the Lord my Soul, and bless his holy Name,  
Bless the Lord my soul, he rescues me from death.

- Today we were led to praise Jesus with all our strength, holding nothing back, to lose ourselves in him in worship, to be out of our depth in his love, to give him EVERYTHING. He is taking us to a place where our feet don't touch the bottom. He wants to take us deeper than we have never been before.

- Song:

I want to be out of my depth in you love,  
Feeling your arms around me.  
Things that I held so tight, became my security.  
Give me the grace to let go.

- He is worthy of our praise, of our worship; not just of our songs but of our whole being. He is worthy to be loved with all our mind, heart and strength.
- Surrender to Him.

## New Dawn Prophecies: Fresh Manna for Saturday 6th Aug 2011

- We were moved to cry out to Jesus and implore that he be glorified today in the conference and that ALL creation would glorify and praise the Lord, that Jesus would really **take the glory**.
- THIS IS THE DAY – TODAY – THAT THE LORD HAS MADE. Be in the present. (The past is gone, the future has not yet come; only the present is a present from God.
- The Lord was calling us as intercessors to walk in his resurrection and not in our flesh, in his power and not our own
- The Lord calls us to persevere in praise and worship until we reached the mountain top and not to be satisfied with anything less than his presence, not to sit down halfway up the mountain. He call us as a people to really walk in the Spirit, to be people of the Spirit and not a people who 'do church' in our own way, and according to our own ideas but according to the way Jesus was.
- Today is the feast of the Transfiguration and Jesus is manefesting his glory amongst us.

## New Dawn Prophecies: Fresh Manna for Saturday 6th Aug 2011

- Worship is what we are made for. It is the proper activity of the Church, the bride of Christ. It is what the spouse is called to. Worship is the intimate exchange of our very being as the body of Christ himself. It is what we will do in heaven for eternity.
- ‘With my body (the church), I thee worship.’
- As we worship Jesus, we become who we truly are in him. Things that are contrary to his image in us fall away.
- We are the bride of Christ giving ourselves to him in Worship as he gives himself to us.
- ‘The Lord dwells in the praises of his people.’
- As we praise him we are set free. In his presence no evil can remain.
- The Lord was setting us free as we praised and worshipped him. This is his message to us today, that when we worship him we are set free, liberated and delivered from the hold of the evil one.
- Captives were being set free in the midst of the Bride of Christ Worshipping Her Lord whose presence was amongst the Body.
- Worship, praise and thanksgiving are what we are called to do. ‘Give thanks in all circumstances, for this is the will of God for you.’ If you are every wondering what to do, or what God’s will is, praise him.)

# New Dawn Prophecies: Fresh Manna for Saturday 6th Aug 2011

- As we praise God, the darkness is defeated. Praise him in your homes. Make your homes altars of worship so his presence will dwell there and the darkness be dispersed.
- Walk in faith not in fear. There is no power in fear.
- An inspired teaching followed which can be summarised as follows;

If we worry we lose our peace and are fearful

If we lose our peace we are angry and resentful to others because we can't deal with our pain.

Then when we pray we don't sense God and feel alone and abandoned and then hate God.

Satan can bring death

But JESUS IS MIGHTY

In the place of worry he gives peace

In place of fear he gives courage

In the place of anger he gives love

We regain prayer and a sense of his presence

We come alive in Christ.

Take a step towards God and he will take a step towards you. In fact he will take your place and overcome your fear, worry, anger and despair.

## New Dawn Prophecies: Fresh Manna for Saturday 6th Aug 2011

- At the end of the intercession many people reported testimonies of healings they had experienced during the worship thus confirming the Lord's message to us that when we worship him as his bride and give ourselves to him, his presence comes and brings deliverance and freedom and destroys all the works of the evil one.
- There is power in the worshipping body of Christ but only because of the faithful, jealous, love of the Lord our God for his bride.
